THE JUDICIAL SYSTEM GENERALLY

The judicial system of South Carolina is composed of the courts, the prosecution, and the defense components. The court system is comprised of the Supreme Court, the Circuit Courts, the Family Courts, the Magistrate's Court, the Municipal Courts, Probate Courts, and Masters-In-Equity. The prosecutorial system is made up of the circuit solicitors and the Attorney General's Office. The defense component includes public defender corporations, court appointed counsel, retained counsel, and the Office of Appellate Defense.

THE SUPREME COURT

The State's highest tribunal is the Supreme Court. The Court has both original and appellate jurisdiction, but generally acts only in its appellate capacity, rendering decisions based on lower court transcripts, briefs, and oral arguments. In addition to hearing and deciding cases, the Court also has rulemaking authority for the unified judicial system and controls admissions to and the disciplining of the South Carolina Bar. The Supreme Court is composed of a Chief Justice and four Associate Justices who are elected by the South Carolina General Assembly for a term of ten years. The terms are rotated and a justice may be re-elected to any number of terms. (See Article V of the South Carolina Constitution.)

THE CIRCUIT COURT

Directly under the Supreme Court is the Circuit Court, the State's court of general jurisdiction. The Circuit Court is divided into a civil court, the Court of Common Pleas, and a criminal court, the Court of General Sessions. In addition to its general trial jurisdiction, the Circuit Court has limited appellate jurisdiction over appeals from the Probate Court, Magistrate's Court, and Municipal Court. The State is divided into sixteen judicial circuits. Each circuit has at least one resident circuit judge who maintains his office in his home county within the circuit. There are thirty-one circuit judges serving the 16 circuits, comprised of the state's 46 counties, on a rotating basis, with court terms and assignments determined by the Chief Justice based upon recommendations of Court Administration.

THE FAMILY COURT

By Act 690 of the 1976 Acts and Joint Resolutions, the Uniform Statewide Family Court System was established. The Family Courts of South Carolina generally have exclusive jurisdiction over minors under the age of seventeen. South Carolina Code Section 20-7-400 (Cum. Supp. 1982) provides that the family court "shall have exclusive original jurisdiction and shall be the sole court for initiating action" concerning a child who "is alleged to have violated or attempted to violate any State or local law or municipal ordinance...."

South Carolina Code Section 20-7-430 (Cum. Supp. 1982) provides that if, during the pendency of a criminal or quasi-criminal charge "...it shall be ascertained that the minor was under the age of seventeen years at the time of committing the alleged offense," the case shall be forthwith transferred, "together with all the papers, documents, and testimony connected therewith," to the family court.

While as a general proposition the family court has "exclusive" jurisdiction over a person under seventeen years of age, Section 20-7-410 (Cum. Supp. 1982) provides that,

"Notwithstanding any other provisions of this article, the magistrate courts, municipal courts, and circuit courts of this State shall have concurrent jurisdiction with the family courts for the trial of persons under seventeen years of age charged with traffic violations or violations of the provisions of Title 50 relating to fish, game and watercraft when such courts would have jurisdiction of the offense charged if committed by an adult."

In addition, the Family Court may in certain cases bind a minor over for a criminal proceeding in either circuit or magistrate's court if that minor is 14 or 15 years of age. (Section 20-7-430 (Cum. Supp. 1982).)

The Family Courts also have exclusive jurisdiction of all matters involving domestic or family relationships. (Section 20-7-420 (Cum. Supp. 1982).) Pursuant to this provision the Family Courts are the sole forum for the hearing of all cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, support, alimony, and change of name.

The Family Court follows the territorial boundaries of the sixteen judicial circuits with forty-six judges who rotate within the counties of their resident circuit.

THE MAGISTERIAL COURT

There are approximately 315 magistrates in South Carolina, ranging from 3 to 22 per county. They are appointed by the Governor upon the advice and consent of the Senate, with terms ranging from two to four years. (South Carolina Constitution Article V, Section 23.) Magistrates have criminal trial jurisdiction over all offenses which are subject to the penalty of a fine not exceeding \$200.00 or imprisonment not exceeding 30 days. (Section 22-3-550.) Magistrates have civil jurisdiction when the amount in controversy does not exceed \$1,000. (Section 22-3-10.) However, in Landlord-Tenant matters and cases of bastardy their jurisdiction is not limited by a dollar amount. (Section 22-3-10, subsections (10) and (12).) In addition, magistrates are responsible for setting bail, conducting preliminary hearings, and issuing arrest and search warrants.

THE MUNICIPAL COURT

Act 480 of 1980 substantially changed the municipal courts of this state. It seeks to establish a uniform system of municipal courts to be part of the unified judicial system. The act repeals by implication all statutes which created different types of municipal courts not established in conformity with the new system (e.g., Mayor's and Recorder's Courts).

Municipal Courts have no civil jurisdiction, but have criminal jurisdiction over all state offenses and municipal ordinances subject to a fine not exceeding \$200 or imprisonment not exceeding thirty (30) days, or both, and which occur within the municipality. (Sections 14-25-45 and 14-25-65). The term of a municipal judge is set by the council of the municipality, but cannot exceed four (4) years. (Section 14-25-15)

THE PROBATE COURT

Each county in South Carolina has a popularly elected Probate Judge who serves a four-year term. Probate courts have jurisdiction over estates of deceased persons, guardianships of minors and incompetents and involuntary commitments to mental institutions. (Title 14, Chapter 23.)

MASTER-IN-EQUITY

Act 164 of 1979 established a statewide Master-In-Equity system. The master is appointed by the Governor with advice and consent of the General Assembly for a term of four years. The master may serve in a full or part-time capacity and is compensated by the County Governing Body. The Master-In-Equity has jurisdiction in equity matters referred to that court by the Circuit Court. The master has the power to hear all motions and to make orders thereon, to extend the time to answer a demurrer, to grant leave to amend pleadings, and to admit new parties, to appoint guardians ad litem for infants, to enter final judgments in limited circumstances and to conduct sales. There are twenty Masters-In-Equity currently sitting. Final orders based on reports of masters are executed by circuit judges except where the master enters final judgment under limited circumstances. Appeals from final judgments entered by a master are to the Circuit Court unless otherwise directed by order of the Circuit Court or by consent by the parties.

SOUTH CAROLINA COURT ADMINISTRATION

The Office of South Carolina Court Administration was established in 1973 pursuant to the new Judicial Article, Section 4, Article V, South Carolina Constitution, which provides that the Chief Justice shall appoint an Administrator of the Courts and such assistants as he deems necessary to aid in the administration of the courts of the State. The State Court Administrator serves as the Director of the Office of South Carolina Court Administration. It is the administrative arm of the Chief Justice in his capacity as the administrative head of the State Judicial System.

The concept of an Office of Court Administration was developed throughout the nation with the idea that courts have reached the point where they require the use of sound business management methods in carrying out their responsibilities as part of the judicial branch of government. All fifty (50) states and the Federal Court System currently have an Office of Court Administration or its equivalent.

The Office of South Carolina Court Administration engages in a wide range of responsibilities and duties. These activities are as follows:

1. Recommends to the Chief Justice the scheduling of terms of Circuit Court and the assignment of judges to preside over these terms.

2. Recommends to the Chief Justice the scheduling of terms of Family Court and the assignment of judges to preside over these terms.
3. Supervises the administration of Circuit Courts, Family Courts, Probate Courts, Masters-In-Equity, Magistrates, and, to a limited degree, Municipal Courts, as well as the support personnel related to these courts such as Clerks of Court and Public Defenders.
4. Extensive caseload information and activity statistics are collected on the operation of the Circuit Courts, the Family Courts, Magistrate Courts, Municipal Courts, and Masters-In-Equity.
5. The office provides assistance to individual courts in calendar management, jury management, and recordkeeping. Such assistance is provided at the request of the individual trial courts or at the initiation of the Office of South Carolina Court Administration when problems come to its attention.
6. Serves as a clearing house of new studies and reports in the field of judicial administration and reform.
7. Makes recommendations to the Chief Justice on administrative or procedural rules being considered for adoption and analyzes the potential effect of such proposed rules on the system.
8. Supplies reports and documents to the legislature, appears before legislative committees, and drafts proposed legislation with the aid of advisory committees and others.
9. Conducts the mandatory judicial education programs for summary court judges including orientation schools for new judges and regional schools on specific subject matters.
10. Administers the Defense of Indigents Fund and the Judicial Commitment Fund.
11. Coordinates with and assists, when requested, the Judicial Standards Commission and the Office of the Director of Accounting and Personnel of the Judicial Department. Serves as liaison between the Judicial Department and other agencies of state government such as the Office of the Attorney General, the Office of

Juvenile Placement and Aftercare, State Law Enforcement Division, the Office of the Governor, and others. As State Court Administrator, the Director is a member of the Governor's Committee on Criminal Justice, Crime and Delinquency, the Court Modernization Committee of the South Carolina Bar, and the National Conference of State Court Administrators. Representatives of the office serve on various other committees with the Judicial Department and state government.

12. Serves as secretariat to the Judicial Council and the Appellate Defense Commission.

13. Carries out such additional duties as assigned by the Chief Justice of the State Supreme Court.

The foregoing enumerates a wide area of activity which involves various specific duties. The role of the Office of Court Administration has been an expanding one as the constitutional mandate of judicial reform and the establishment of a unified statewide judicial system has been carried forward.

OFFICE OF THE DIRECTOR OF FINANCE

This office is directly responsible to the Chief Justice for the internal fiscal operation of the Judicial Department. In addition to budgetary planning and operation, all personnel matters, payrolls and purchasing are the responsibility of this division. The State provides total funding for the operation of the Supreme Court and Court Administration. The State also funds the salary of the circuit and family court judges, their law clerks, secretaries, and court reporters as well as related equipment and supplies. County governing bodies are responsible for providing facilities for the operation of the Circuit, Family, Probate, Magisterial Courts, and Masters-In-Equity. All other personnel are funded by county governing units. One quarter of all fines, forfeitures, and other revenues generated by the circuit and family courts are paid into the State with the balance going to the local governing bodies. All magisterial court fines and fees are paid to the local governing body. There are limited exceptions to this where certain fines are directed to specific agencies.

DEFENSE OF INDIGENTS

The appropriated funds are used to provide legal representation for indigent defendants in criminal proceedings. Funds are disbursed to public defender corporations, in those counties having such a corporation, on a monthly basis. In counties having no public defender corporation, payments are made directly to court appointed counsel where indigency has been determined. The program is monitored by the Office of Court Administration with recommendations to the Supreme Court for necessary rule changes and improvements.

In Fiscal Year 1981 (July 1, 1980-June 30, 1981) \$687,860 was appropriated to the Defense of Indigent's Program. From this appropriation, each county was apportioned an amount at the rate of \$265.53 per one thousand population, based on the official United States Census for 1970. These individual allocations are for the use of the public defender corporations, in those counties which have them, and for the fees of appointed counsel in those counties which do not have defender corporations. There is also a statewide Defense Fund, for the payment of certain necessary expenses incurred in indigent defense, such Fund being available to both public defenders and appointed counsel.

Below, are the funds appropriated to those counties without public defender corporations during Fiscal Year 1981, for the payment of fees of appointed counsel, and the expenditures from those funds during the fiscal year.

<u>COUNTY</u>	<u>APPROPRIATED</u>	<u>EXPENDED</u>
Allendale	2,573.52	2,753.52
Bamberg	4,235.20	4,235.00
Barnwell	4,560.74	3,194.25
Clarendon	6,798.63	6,160.50
Dillon	7,657.35	7,717.35
Dorchester	8,570.25	8,570.25

Jasper	3,155.82	966.05
Williamsburg	9,092.54	9,092.54
York	22,627.40	22,598.60

Public defender corporations, in those counties which have established them, in addition to the monthly disbursements from the State appropriated Defense of Indigents Fund, are partially subsidized by the individual counties, and by other available Federal funds.

The Defense Fund, for certain necessary expenses, was appropriated \$171,339 in Fiscal Year 1981. The total expenditure in this category was \$171,117.

JUDICIAL COMMITMENT ACT

The sums appropriated by the state legislature are used to provide designated examiners, legal representation, and court reporters involved in involuntary mental commitment proceedings brought in the Probate Courts of this State. This fund is administered by the Office of South Carolina Court Administration which monitors performance and needs. In 1980, the General Assembly amended the judicial commitment provisions to prohibit the direct payment of state employees for services rendered in judicial commitment proceedings. Court Administration was directed to contract with state agencies for services necessary to the judicial commitment process.

THE CLERKS OF COURT

Each county of South Carolina has a popularly elected Clerk of Court who serves a four-year term. The Clerk of Court serves the Circuit and Family Court systems as they operate in each county. Duties of the clerks extend in both civil and criminal areas: receiving criminal warrants and forwarding them to the solicitor; receiving bail; assembling trial lists; performing courtroom duties; handling jury-related matters; receiving fees, fines and costs; maintaining all court records; and handling reporting requirements. In 41 of the 46 counties, the clerk serves as the Register of Mesne Conveyances and thus keeps all records required by the recording statutes. All funding of clerks of court for staff, office space, and equipment is a county responsibility (Section 14-17-10, et. seq.), with the exception of a limited state salary and support personnel supplement.

THE PROSECUTION

By constitutional provisions, the Attorney General is the chief prosecutor of the State. (South Carolina Constitution, Article V, Section 20.) The Attorney General, besides acting as the State's chief prosecutor, also represents the State in civil litigation, and issues opinions regarding the interpretation of law. (Title 1, Chapter 7.)

Prosecution in circuit court is carried out by a circuit solicitor and his assistants. In addition, a solicitor, if directed by the Attorney General, may represent the State in a civil proceeding.

THE DEFENSE

An accused in South Carolina, when unable to retain counsel due to financial inability, may request the court to appoint counsel upon proof of indigent status. Such public defense may be by public defender or by appointed counsel, upon designation by the court. The fees (within maximum limits) and expenses are paid to appointed counsel, upon application for reimbursement by voucher to the Office of Court Administration out of a special fund established by the legislature for such purposes. Once an appointment is made, the attorney must represent the accused through trial, but he may be permitted to withdraw for good cause. The attorney serves without pay once the special fund is exhausted, unless the county provides additional funds. Also, attorneys in counties having public defender corporations may not have fees paid from the special fund, but must seek payment from other sources. Presently there are 33 public defender corporations established to provide services in 37 counties with the funds for these programs supplied from the Defense of Indigents program funds. State law allows multi-county defender corporations, but only three such corporations have been formed. The Office of Appellate Defense operates under the direction of the Appellate Defense Commission and handles all criminal indigency appeals.

BOARDS AND COMMISSIONS

BOARD OF COMMISSIONERS ON
GRIEVANCES AND DISCIPLINE

The caseload of the Board of Commissioners on Grievances and Discipline increased so dramatically that the prior rule was revised by Order of the Supreme Court dated January 9, 1978. In 1970 the Commission considered 71 matters. By 1975 that number had essentially doubled to 153 and by 1977 it had essentially quadrupled to 283. Since the revised Rule has been in effect, however, the number of grievances appear to be on the decline.

Every grievance received by the Board is reviewed by the Chairman, he may dismiss the grievance for lack of merit, refer it to another Commission which may best suit the needs of the Complainant such as the Fee Disputes Committee, or the matter may be assigned for investigation by a member of the Commission from the circuit where the attorney complained about resides. When an investigative report has been filed by a Commission member, the matter is then scheduled for review by the Executive Committee. The Executive Committee is made up of five of the twenty-five Commission members and it meets monthly.

If the Executive Committee finds no merit to the grievance, the matter is dismissed. If the Committee finds probable cause that a violation of the Code of Professional Responsibility has occurred, the matter is referred to the Attorney General's Office and formal charges are brought by way of a Formal Complaint against the attorney. The matter is then set for a hearing by a three member panel made up of members of the Commission. Sixty days after the hearing the panel must submit a report of their findings of fact, conclusions of law, and a recommendation as to what sanction they feel should be imposed on the attorney for the violation. The entire matter is then reviewed appellately by the Executive Committee, the Executive Committee makes an independent recommendation as to sanction, and the matter is thereafter certified to the Supreme Court for their review and final disposition.

All proceedings before the Board of Commissioners on Grievances and Discipline are confidential.

A statistical summary is set forth on the following page.

THE BOARD OF COMMISSIONERS ON JUDICIAL STANDARDS

The Supreme Court, under the authority vested in it by Article V of the South Carolina Constitution, issued Supreme Court Rule 34 entitled Rule on Judicial Discipline and Standards, which provided for the formation of the office of the Board of Commissioners on Judicial Standards, and also sets forth its area of responsibility and duties. The Judicial Standards Commission office commenced operation November 1, 1976. This Board, made up of six judges and two lawyers, was formed to accept from complainants their grievances against South Carolina judges and to make any necessary inquiry to determine if a judge has violated the Code of Judicial Conduct or has acquired any physical mental disability of a permanent nature which might affect his ability to perform his official functions.

Rule 34 also provides for the appointment of nine Hearing Masters by the Supreme Court. If a hearing is scheduled by the Board, three Hearing Masters are selected by the Supreme Court to hear the case against the respondent judge. They have the duty of reporting their findings of fact and conclusions of law with respect to the issues presented by the complaint and answer.

After reviewing the record and this report by the Hearing Masters, the Board has the authority to make their own findings or concur with the Hearing Masters. They then have the duty of recommending any disciplinary action to the Supreme Court, which makes the final decision in the matter, and at that time it becomes a matter of public record.

The Examiner for the Board, an Assistant Attorney General, is appointed by the Supreme Court.

The office staff is composed of an Executive Secretary and an Administrative Assistant whose duties are to accept from the public, or other sources, grievances against judges and to make an initial inquiry in order to present the facts to the Board at their regular meetings. The office staff also performs the usual duties of maintaining files and records of the Board. The Executive Secretary also conducts any investigation requested by the Board.

The following is statistical data reflecting cases received and disposition of those cases since the inception of the office in November of 1976.

BOARD OF LAW EXAMINERS

Section 4 of Article V of the Constitution provides that the Supreme Court shall have jurisdiction over the admission of persons to the practice of law and, pursuant to this provision, the Court has appointed a Board of Law Examiners whose responsibility it is to determine whether or not the applicants possess the necessary legal knowledge for admission. In addition, the Court has appointed a Committee of five attorneys to determine whether the applicants possess the character and fitness for admission.

The bar examination consists of a multistate examination as given by the National Conference of Bar Examiners. This is a machine graded examination that is given in 41 states on the last Wednesday in February and July each year. In addition to the multistate examination, the examiners prepare questions and test the applicants on additional subjects. The essay portion of the examination is given on Thursday and Friday following the multistate examination. Each examiner grades his own questions and the scores are combined for an average and then forwarded to the National Conference of Bar Examiners to be combined with multistate grades.

The Clerk of the Supreme Court serves as secretary to the Board of Law Examiners, and the administrative work in connection with bar admissions is the responsibility of the Clerk.

The following statistics will be of interest.

CONTINUING LEGAL EDUCATION COMMISSION

The Supreme Court of South Carolina adopted in 1976 a rule which required mandatory continuing legal education for all judges within the state judicial system with the exception of the magisterial judges. Each judge is required to complete a minimum of fifteen (15) hours of legal education each calendar year. Such training may be acquired by in-state or out-of-state programs which are approved by the Commission. The Commission is composed of a Justice of the Supreme Court, two Circuit Judges, one Family Court Judge, one member of the University of South Carolina Law School Faculty and two members of the Bar of South Carolina. The Continuing Legal Education Program of the South Carolina Bar provides secretariat services to the Continuing Legal Education Commission for the Judiciary.

SUPREME COURT STATISTICS

1981

The attached statistical report summarized the Supreme Court's caseload activity for the calendar year 1981.

1. Appeals Categories - The appeals are broken down into categories. The categories are: Straight, Rule 29, Family Court, Criminal-Regular or No Merit, Post-Conviction, Disciplinary, and Original Jurisdiction.

DEFINITION OF CATEGORIES:

Straight - The Straight category includes regular and written opinions filed by the Court for publication.

Rule 29 - The characteristics of an appeal listed in the category labeled Rule 29 are outlined in the "Supreme Court Rules" located in The Court Register (p. SC-19). Specifically, "...Civil cases which do not involve a constitutional question and in which the amount involved is \$500.00 or less, and all appeals in civil cases in which there has not been a final judgment..."¹ are placed in the Rule 29 category. Criminal Cases involving post-conviction relief, although covered by Rule 29, are listed in a separate category.

Family Court - The category Family Court simply includes appeals stemming from Family Court issues.

Criminal Regular or No Merit - All criminal appeals, with the exception of post-conviction relief, are included in the Criminal category. This category is further divided into two sub-categories labeled regular and no merit. The majority of criminal appeals falls under the regular heading. These are cases in which the appeal is with support of counsel. Conversely, those cases in which the counsel of the appellant feels there is no merit in the appeal, but the appellant pursues the appeal, are listed under the heading no merit.

Post-Conviction - Criminal appeals involving post-conviction relief.

¹From Rule 29, Supreme Court Rules, Court Register, p. SC-19.

Disciplinary - The category Disciplinary refers to the grievance procedure, which involves disciplinary action against an attorney.

Original Jurisdiction - The category Original Jurisdiction includes those appeals over which the Supreme Court exercises original jurisdiction.

- II. Time Frame of Appeal - The attached report is divided into several sections, each deals with the appeal as it reaches different stages of development. The stages involve certain key words which refer to the related progress of the appeal. Examples of these key words include: "Notice Filed," (indicating the initial document has been filed with the Court); "Docketed," (referring to the receipt of the required number of case transcripts); "Ready for Consideration," (indicating that all briefs and related documents have been filed and the case is ready for the Court's consideration).
- III. Additional Terms - In addition to the above, a few related terms need some elaboration. These terms include "Memorandum Opinions," "Regular Opinions," and "Motion to Settle the Record."
- A. A Memorandum Opinion, as provided for in Rule 23 of the Supreme Court Rules, may be filed when a full written opinion would have no precedential value. The decision must be unanimous and have one or more of several circumstances existing.
- "(1) That a judgment of the trial court is based on findings of fact which are not clearly erroneous.
- (2) that evidence of a jury verdict is not insufficient.
- (3) that the order of an administrative agency is supported by such quantum of evidence as prescribed by the statute or law under which judicial review is permitted.
- (4) that no error of law appears."²
- B. Regular Opinions are those full, written opinions filed by the Court on appeals considered.

²From Rule 23, Supreme Court Rules, Court Register, p. SC-18.

- C. Motions to Settle the Record result from a lack of agreement between parties on the proposed cases involved. Prior to the docketing of the appeal, the settlement of the record is required. A motion to settle the record is simply a vehicle by which the record in question may be agreed upon.

COURT OF GENERAL SESSIONS

The Court of General Sessions is served by 31 Circuit Court Judges who sit during terms of court scheduled by the Chief Justice. The judges rotate among the 16 judicial circuits which include all 46 counties in South Carolina. When judges are not presiding over General Sessions they are used in the Court of Common Pleas discussed earlier.

General Court Statistics for Previous Years

<u>Year</u>	<u>Indictments Pending 1st of Year</u>	<u>Filed During Year</u>	<u>Disposed During Year</u>	<u>Indictments Pending End of Year</u>
1978	9,232	30,308	30,868	8,672
1979	8,639	31,746	32,757	7,628
1980	7,790	34,147	33,722	8,215
1981	8,091	31,930	33,421	6,600

Generally speaking, there has been an increase in the number of indictments filed over the past four years. Using 1978 as the base year, the rate of filings increased by 1,622 or 5% during 1981. This was followed by an 8% increase in dispositions. The number of indictments pending at the end of 1981 remained lower than the 1978 figure despite the increase in filings.

The peak in terms of new filings for the last four years was 1980. In 1981 we have seen a reduction in filings down to what was experienced in 1979. The caseload will be closely monitored in 1982 and 1983 to see if filings are beginning to stabilize.

INDICTMENT DISPOSITIONS

During 1981 a total of 33,421 indictments were disposed. Convictions accounted for 25,129 or 75% of the dispositions. The solicitors sought 299 more convictions during trials but these resulted in a verdict of not guilty. The remaining 7,993 indictments were ended by administrative actions such as dismissals or transfers to other courts.

The attached report shows, by county and circuit, the number of indictments disposed and the means of disposition.

AGE OF PENDING INDICTMENTS

The number of indictments pending is, of course, a concern when the numbers are large and show a growing trend. But of equal or more importance is the age of these pending indictments. An analysis of all 1978 indictments by the Governor's Office of Public Safety showed that less than 1 out of 14 indictments will have a successful disposition on any part of the indictment after being docketed over twelve months. The chance of a successful disposition drops to less than 4 out of 100 when the indictment has been docketed for more than 18 months. The key phrase here is "successful disposition on any part." An indictment in South Carolina can have multiple defendants with multiple charges and multiple counts of each charge. If any part of the indictment received a conviction, the indictment was counted as successful. At the end of 1981, there were 597 indictments between 13 and 18 months old, and 1,871 over 18 months old.

Three categories have been used to illustrate pending indictments, these are: Active; M-T=Mistrial; C-D=Contingent Docket.

COURT OF COMMON PLEAS

Filings:

With some exceptions, civil actions involving more than \$1,000 are initiated in the Court of Common Pleas. This is done by filing the case with the county Clerk of Court and subsequent entry of the case onto the pending civil docket. During the past six years, the Court of Common Pleas has experienced an increase in the number of cases filed. Cumulatively, 196,529 new civil actions were filed between 1976 and 1981. Beginning in 1976, our first data period, a total of 26,257 new cases were filed. By 1981 the number of new filings had increased to 38,465 per year, or a 46% increase. The last two years have shown signs of stabilization. However, more information is needed before determining whether the Court of Common Pleas' filing rate is leveling off or will continue to experience rapid growth.

Pending Cases:

The Court of Common Pleas experienced a dramatic increase in pending cases between 1976 and 1979. During the last portion of this period, the County Court system was systematically dismantled. Attorneys began filing new cases in the Court of Common Pleas in anticipation of the County Court being dissolved. At the end of 1976, there were 15,813 pending cases, but by the end of 1979 this figure reached 23,282. Between 1979 and 1981 the courts have concentrated on reducing this backlog while at the same time handling new filings.

To illustrate this trend since 1977, statewide statistics show that on July 1, 1977, only 70% of the pending civil cases were less than a year old. By the end of 1981, 87% of the pending cases were less than a year old.

Perhaps the key reason for this reduction in the age of pending civil cases is the ability of the Chief Justice, as head of the unified judicial system, to respond to rising caseloads by assigning judges to locations where they are needed most. This has been graphically demonstrated in counties with particularly high caseload congestion. In the 1980 Annual Report the following paragraph appeared referencing a backlog situation in one of our major metropolitan areas:

At the end of 1980, Richland County reported a pending civil caseload of 4,954 cases. This represented 25% of the total number of pending civil cases in the state. Additionally, only 56% of these cases were less than a year old. By removing the impact of Richland County from the age of pending case figures, at the end of 1980 the statewide total would show 88% less than a year old. It has only been recently that Richland County has received the new judicial facilities. Now an adequate number of court weeks and judges can be scheduled to address the problem of the Richland County backlog. During calendar year 1981, it is anticipated that Richland County will be on par with the rest of the state.

As an update to the above, we now find that Richland County had on December 31, 1981, 2,836 pending civil cases, representing 15% of the total pending for the state. Additionally, 83% of these cases were less than a year old. This was due not only to increased terms of court, but also to a great deal of effort and cooperation on the part of the Clerk's staff, Judges and the local Bar.

FAMILY COURT

The unified family court system, created by Act 690 of the 1976 Acts and Joint Resolutions, began operation on a statewide basis on July 1, 1977. The family courts were given exclusive jurisdiction over minors under the age of seventeen who committed criminal or quasi-criminal acts. Additionally, the courts have exclusive jurisdiction over all matters involving domestic or family relationships. These matters include cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, support, alimony and change of name.

There are forty-six family court judges who rotate among the sixteen judicial circuits as assigned by the Chief Justice of the State Supreme Court. Since the implementation of the unified family court system, substantial progress has been made in reducing the number of cases awaiting disposition and the age of pending cases.

The following is a brief statistical report on the past activity and the current status of the family court dockets.

The figures for 1976 give an indication of what the dockets looked like before the implementation of the unified family court system. The newly formed court went into operation on July 1, 1977. Pending cases which were previously handled by the circuit or county courts, but now came within the exclusive jurisdiction of the family court, were transferred to the family court dockets. In many instances, this completely dissolved the county courts.

Because of staffing, furnishing, and other problems associated with the implementation of a new court system, many courts did not become fully operational until the latter months of 1977. During 1977, the number of pending family court cases increased by 16%. During 1978, the court was fully operational and began to attack the backlog of pending cases. This steady reduction has continued and by the end of 1979, the number of pending cases had fallen below the 1976 level. This reduction rate slowed during 1980. By the end of 1981, the level of pending cases rebounded back to the 1979 level. The age of pending cases has stayed at 83%, less than six months old, for two years.

Age of Pending Cases

<u>Year</u>	<u>Total Pending</u>	<u>% Less Than 6 Mo. Old</u>
1978	17,999	65%
1979	15,375	76%
1980	14,462	83%
1981	15,326	83%

The improvement in the number of pending cases is evidence that the unified court's approach in handling the family court backlog is working. The effectiveness of the unified system is further amplified by the change in the age of pending cases. In 1978, only 65% of the pending cases were less than six months old. But by the end of 1981, 83% of the cases pending were less than six months old. The dockets had not only been reduced in terms of total size, but they were now very current.

Figures for 1980 and 1981 suggest that the rapid improvement phase, in terms of current dockets, may be over. During 1982 and 1983, the total size and age of the dockets must be closely watched. Although we appear to be entering a period of stability, there are signs that the dockets may begin to regress.
